Dear Camellia Lover:

Camellia time is here again and to you who want the finest, we are offering our LATEST list of "Hand Picked" Extra Rare Camellias.

This is our Third Annual Pre-Season Sale of SELECTED FINE CAMELLIAS.
Plants will be shipped as early in October as possible.
Crating and packing will be free

These extra rare varieties are scarce the country over and as our stock is limited, we urge you to place your orders at once as there will not be enough of these fine camellias to go around. We are booking orders in rotation as they are received—First come, First served. We believe these "PICK OF THE CROP" camellias are the best to be offered. They are grafted on 6 to 10 year understock. Our Reference—Savannah Bank & Trust Company, Savannah, Georgia.
